EMILY AS THERE IS REAL DANGER

Emily
& I
were
married
beneath
a busting
cherry
tree
that we
had
moved
on to
our land.
We took
an axe
to it
to end
our vows.
That is
how we
do things.
She,
right now
has an eye
on a plum

tree in
another
county.
That doom-
ed fucker
is going
to save us.
